The 5th Sunday in Epiphany

Green.

Intent - Ever Forward.

The Collect

O Lord and heavenly Master, grant to us the opportunity to push ever forward in our journey to be with you. Guide us in this endeavour, that we may not stumble from the path, but with your help keep a straight and true course on this spiritual journey to enlightenment, this we ask in the name of your emissary The Christ. Amen.

The Epistle for the 5th Sunday in Epiphany is from the transcriptions of the words of the Archangel Uriel.

Dear Ones, at this time we are sending you the ray and frequency of our beloved Master and teacher. Forget your surroundings. Lose yourself and let your mind float in emptiness in the hands of the Creator. High in the heavens the Host rushes into you now. It is truly written of them that they do not slumber or sleep. It is my privilege to bring you these words of His. Listen for my voice as it wings its way to you as the dove of redemption. Listen, watch and wait, for the kingdom of which we spoke now comes upon the earth scene; it is here now. Let us make ourselves a living part of its being.

Here Endeth The Epistle.

The Gospel for the 5th Sunday in Epiphany is from the words of the Master Sanat Kumara.

O humanity of earth, realize that you are the highest form of the deity anywhere in the universe. There is nothing beyond you. In this you are grand, and in this you are the lowest. You are the lowest because you know and the other forms do not know, therefore you must be their brother and their servant. You are the elder brother of these forms right throughout the omniverse. It is up to you to raise them to ever higher evolution as they along with humanity progress up the worlds to infinite grandeur, to infinite light. No soul, no matter how degraded, shall be denied admittance to the great school of life. This is truly the time when the lion shall lie down with the lamb.

Praise Be to Thee O Christ.
