

THE LORD'S PRAYER

This is a **TRUE** translation of The Lord's Prayer direct from the language of Jesus (Aramaic) to present day English, unlike the old version we have, of Aramaic to Old Greek, to Latin, to Old English, to modern English.

This puts a new concept upon the meanings of the prayer. It goes thus.

Present Form

Our father who art in heaven

hallowed be thy name

Thy kingdom come

Thy will be done

in earth as it is in heaven

give us this day our daily bread

and forgive us our trespasses

as we forgive those who trespass against us.

And lead us not in to temptation

but deliver us from evil

for thine is the kingdom the power and the glory for ever and ever.

Amen.

Original Form

O Birther! Divine Androgynous Parent of the Cosmos

Focus your light within us – make it useful.

Create your reign of unity now

Your one desire acts with ours

as in all light, so in all forms.

Grant what we need each day in bread and insight

Loose the cords of mistakes binding us

as we release the strands we hold of other's guilt

Don't let surface things delude us.

But free us from what holds us back

From you is born all ruling will, the power and the life to do, the song that beautifies all, from age to age it renews.

Truly power to these statements- may they be the ground from which all my actions grow.

Loosing the cords of mistakes that bind us is obviously referring to Karma.
